## Why would you not come here in April, May, June or in October and November?

There is fewer crowd in these months and that might be exactly what you are looking for after stressful working days. We shall take care of your pleasant staying here in these months as well, so that you can feel relaxed, visit many interesting places and taste our specialities.

These months are characterized by enough sunshine, lower heats and pleasant nights.

You can enjoy the products from our garden and nearby fields which is certainly not possible in the peak of the season.

According to your wishes we can take you to our olive-grow and show you the traditional ways of treatment of olive trees as well as we can prepare a leisurely picnic in the open.

You will be able to play tennis, to go for jogging, to ride a bike or to go for long walks along the promenade.

You may also like to hire a boat and enjoy the crystal clear sea. In May, for sunny days you can bath because swimming season starts already at beginning of May.

If you have more adventurous spirit you will be able to visit the most famous tourist sites on the island:

- **The Blaca Desert,**
- **Zlatni rat;** one of the most beautiful beaches of Adriatic coast which changes its shape,
- **50 churches** on the island of Brač,
- **The Museum** of the island in Škrip with Cyclopean walls,
- **Vidova Gora;** the highest peak of all Croatian islands from which you can see nearby islands and Italy as well,
- **Antique remains in Lovrečina,**
- **Numeourus quarries** and the masonry School in Pučišća.

## Pre-season

The pre-season is the time in April and May.

If you are looking for nice and peaceful place away from crowd with possibility of active holidays with your family then you will find pleasure in peaceful holidays we offer you. If the weather is chilly you can enjoy the warmth of our house, together with your family and you will be able to listen to the waves striking against the rocks.

If you wish to meet traditional customs and take part in Easter Procession through the place, then the pre-season is the right time for you. During sunny days there is a possibility for you to prepare your own meals on a large grill in front of the house and enjoy seafood.

### Off-peak season

October, November and December are off-peak season's months.

If you are looking for some peace far away from the crowded places, do not hesitate to visit us. Here, you will enjoy a peaceful holiday, but there is also a possibility for an active holiday, as well as, visiting nearby restaurants.

At the end of September and at the beginning of October you will be able to pick up olives and take them with olive oil back to your homes. Olive oil is known as one of the healthiest ones.

Besides olive trees you will enjoy the fruits from our garden like tangerines, lemons, oranges, figs.

In November you will be able to sit on the summer terrace and enjoy the sunshine what is very hard to experience somewhere else, in this period.

If you like to visit us for Christmas and for a New Year, you will also be able to enjoy everything above mentioned.

Why would you not afford something new for a New Year and spend a week holiday with your dearest, at very reasonable price.

You will be breathing some fresh air far away from the city jam and obligations and you will be enjoying the nature. Many people would like to have enough time and enjoy the above mentioned but obligations seem to be stronger. Do think of yourself and visit us.

**Of course, do not ignore the fact 30-40% lower prices compared to the season, and of course you will need shorter time to come here.**

**Wellcome!**
